

Girl Scouts Information Night

Is your child interested in becoming a Girl Scout or are you interested in being a Troop Leader? Please join us on November 13, 5:30PM-6:30PM to learn more about Girl Scouts.

- What is Girl Scouts? Girl Scouts is a leadership development program. Our goal is to build girls of courage, confidence and character who go on to make their communities and the world a better place. With Girl Scouts, youth and adults can try new things, discover new talents, take action in their communities, and most importantly, be celebrated for exactly who you are.
- Representation matters. Providing BIPOC youth with role models and mentors that look like them can have a tremendous impact on their life. By seeing, interacting with, and learning from leaders of color, they too can see themselves as a leader. To provide these life-changing experiences for Girl Scouts, we need you—yes, you—to join us as a troop leader.
- Come learn all about Girls Scouts and how you can make a difference in the lives of the youth in your community!

If you are interested, RSVP by emailing Bryce Mack (Bethune Full-Service Coordinator) at bmack@minneapolisparks.org.
